

# Long Island School Districts by Area (Square Miles), 2004

NOTE: Three high school-only districts are coterminus with elementary school districts; they are not shown here. Also, the Little Flower district is omitted because it is a Special Act district related to the Little Flower Residential Treatment Program.

Source: School districts from NYS Office of Real Property Services, 2004.  
Square miles calculated by Center for Urban Research at the CUNY Graduate Center  
(area calculations omit small islands in the Great South Bay).
